A singular voice, an idiosyncratic approach of Techno and a firm command of the dancefloor have turned Cosmin TRG into one of dance music's ubiquitous figures.

Throughout a career spanning almost a decade, Berlin-based Romanian producer and DJ Cosmin Nicolae has released music with Hessle Audio, Hemlock, Running Back, Rush Hour, 50Weapons, building a diverse and iconoclastic catalog in the process.

Cosmin TRG has started his own platform for artistic output in the shape of Fizic, an auteur-driven record label aiming at creating unique, high-quality audio-visual products of his own work.
