

HVOB | GRAPHIC GUIDELINE FOR PROMOTERS

Dear Promoter,

thank you for having us, we are really looking forward visiting you!

We want you to know, that we never work with pictures of our faces (videos, social media, etc.) because we think that the music is important, not we as persons.

So please NEVER use any pictures with Anna and Paul.

ONLY use our logo! (And please always call us „HVOB“ never „Her Voice Over Boys“.)

You have it as an eps, so you can place it wherever you want and the size you want.

But we also have jpegs in the folder, so feel free to use them.

You can place it on:

- background black, logo white or
- background white, logo black

We are using the typo: BEMBO ITALIC SEMI BOLD

Also, please use the „Press Pictures“ you find in the folder if you need any press picture for your homepage etc. Yes, the logo picture is our press picture. Please use it.

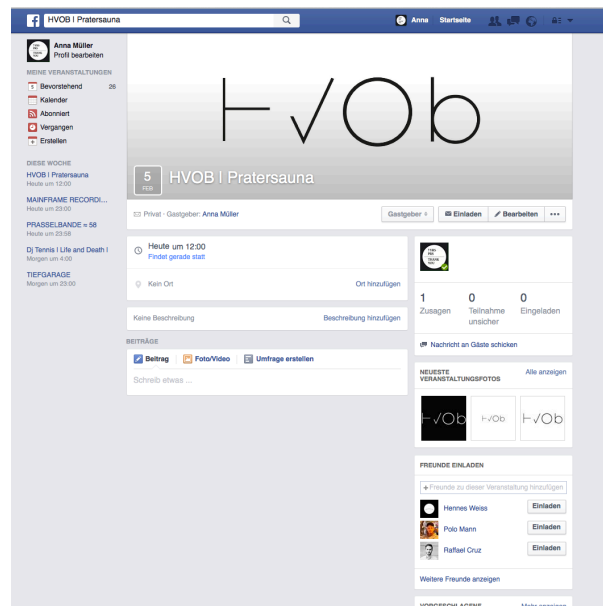

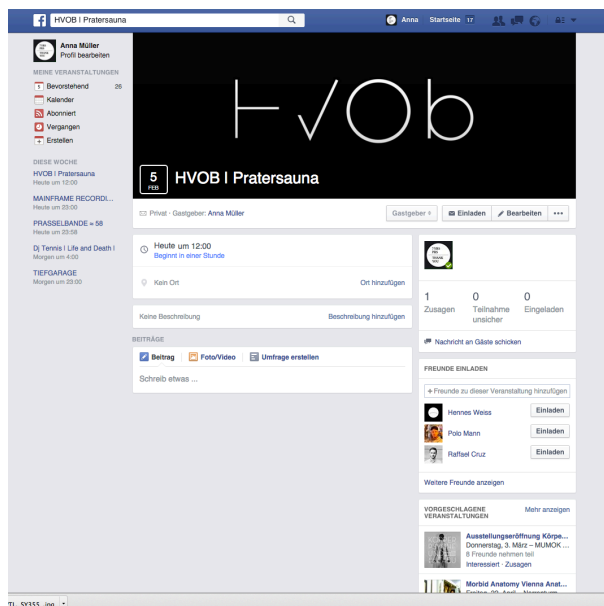

FACEBOOK EVENT PICTURE:

– Please use our facebook event picture. You find it in black/white and white/black in the folder.

Choose the colour you prefer. Of course, you are allowed to put in your logo, etc ...

But please try to keep it as simple as possible, only the information you really need on the picture. Please put the rest in the text below (facebook information text).

We would be really happy if it looks like this:

If you plan to produce flyer and or posters, please also only use our logo.
It could look like this:

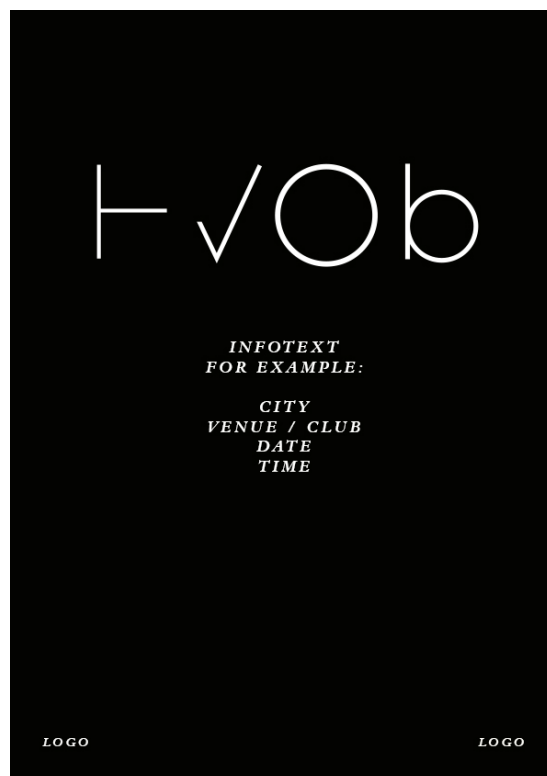

H√Ob

INFOTEXT
FOR EXAMPLE:

CITY
VENUE / CLUB
DATE
TIME

LOGO

We really want to thank you to respect our graphic guideline, because we think that look transports also the music, and the music is always the most important, as we both know.

Please contact us if you have any questions.

Thank you so much,
HVOB
