

Laurel Halo – DJ Tech Rider – 2022

- 3 CDJ-2000NXS2s (CDJ2000NXS acceptable as alternative but minimum 1 NXS2) – all linked
- 1 Allen & Heath Xone:92 mixer. Please check it is fully functioning, no sticky faders or missing pots please. Pioneer mixers can work but a strong, strong preference for Xone:92.
- 2 wedge or stand monitors
- Monitors to be connected via booth outs (so can control monitor volume from stage)
- Lighting: please consult about lighting prior to show. In general darkness is preferred.

Any questions please ask tour manager/advancing agent. Thank you! ☺
